MISSIONARIES TO BRAZIL

August - September 2019

Dear Fellow Laborer in Christ,

We started the month of August in Oklahoma, visiting a few churches in the area. We then headed down to Texas for a few meetings, then up to Colorado. In September, we went to Minnesota, and ended up back in Oklahoma. While making all these travels, we had to go back to the Dallas area three times for Rebecca's doctor's appointments. We are thankful for her doctor who is carefully watching Rebecca's pregnancy to ensure her and the baby's safety.

As mentioned in previous letters, we are asking you keep Rebecca in your prayers during her pregnancy and our travels. She had complications with the first one, and it seems there may be some problems with this one. The doctor is wanting her to stop traveling soon due to some of these complications. We have been trying to work our meetings and travels to fit Rebecca's health requirements. As long as nothing else changes, October will be Rebecca's last month of traveling. She will stay with her family in the Dallas area until she delivers our second boy. Between now and then we have a very full schedule and will be in Texas, Oklahoma, and Illinois.

While traveling, we get several opportunities to go soulwinning, preach in churches and Bible colleges, and teach to students of all ages. We thank God every day for the opportunities He has given us to travel and share the wonderful love of God. As a missionary, my job is not just to gain support, but to encourage churches to keep giving to missions and to challenge them to ask the Lord if He would have them surrender to the mission field. While presenting in Minnesota, I had a young man by the name of Jonathan approach me. He told me that when I presented our burden for Brazil, the Lord was starting to work on his heart. During the preaching, he made a decision and surrendered to be a missionary to where ever the Lord will have him, what a blessing!

Please keep our family in prayer as we are starting to have a few needs arise in our life. Some prayer requests:

- Our cars acceleration problems to be fixed
- For the Lord to provide a larger vehicle, like a minivan, as our family grows
- Rebecca's health and the baby's as she gets closer to her due date
- Daniel has had back pain for about a month now, please pray it gets better
- The Lord to bless our meetings and to raise the support we need to get to Brazil

Sincerely,

The Butler Family
